THE GRAD CLUB

is a unique establishment in Kingston. It exists to serve as a welcoming space for our membership which consists of Kingston community members, as well as Queen's faculty and staff plus graduate and professional students from all faculties. Since its inception in 1963, the Club has been known and loved by all for its inclusive atmosphere, laid back informality, and its connection to both its own tradition and the greater Kingston and Queen’s communities. Preserving the “spirit” of the Grad Club while maintaining and enhancing the services provided to our membership are the key guiding factors at the Club.
